

Big Sky Science

Attendance Agreement

I understand that:

- **My deposit (or payment in full) holds my child's place.** I will pay my balance by June 1st or I may forfeit my child's place. Big Sky Learning will send a statement confirming receipt of payment however no reminders will be sent for the June 1st payment deadline. Places are held on a first-to-pay basis. There is no deadline for sign up. If spaces are available, I may sign up for workshops at any point during the session by sending payment in full.
- **My tuition pays for time made available to my child whether he/she attends or not.** If I cancel for all or part of the workshop, I must pay the workshop's full price. If I cancel with two weeks advance notice and another student fills my spot, then I will receive a full refund.
- **Unapproved childcare occurring more than 15 minutes before or after scheduled workshop times will be billed at \$1 per minute. (Call 699-6425 to approve.)**
- **I will make sure my child comes well fed and hydrated,** as hands-on learning requires strong bodies and clear minds. (Snacks will be provided.)
- **I will not send my child with:**
 - Highly sugared or caffienated snacks or drinks
 - Portable electronic games or war toys
 - Contagious illnesses

I have read, understand, and agree to follow this attendance agreement.
